### QUALITY, HEALTH, SAFETY AND ENVIRONMENT POLICY

As a responsible company, we are committed to design, build, service and repair ocean going vessels and marine crafts, meeting all the requirements of our customers and in compliance with all the applicable regulatory requirements. Towards this we shall be striving to build a team responsive to the needs of expanding markets. We will be undertaking this in healthy and safe environment, with full focus on protection, preservation and improvement of environment, Occupational health & safety of our employees and other stake holders by continually orienting our activities, products and services as to:

- Meet or exceed Customer requirements
- Assure quality of all our products and services
- Eliminate, minimize and control adverse environmental impacts, occupational health and safety risks at all levels and functions
- Institutionalize adoption of environment friendly health and safety concepts while designing our products and processes
- Conserve Resources by applying 3R concept (Reduce, Reuse & Recycle) and minimize generation of inevitable wastes
- Prevent incidents and ensure a safe & Healthy workplace
- Improve working environment through good housekeeping, take proactive measures for the health & safety of our employees, contractors & Visitors.
- Comply with all relevant statutory requirements
- Communicate about good environmental, health and safety practices to the employees and contractors to strengthen their involvement and accept responsibilities
- Spread awareness about the importance of environmental, health and safety management among our stakeholders such as suppliers, visitors and customers.
